United States Bankruptcy Court.-  
Southern district of New York.

I strongly oppose the U.A.W.  
Retirement Settlement Pursuant  
to Section 1114 of the United States  
Bankruptcy Code.

I haven't been offered any  
options for a Vision and dental Plan.

I Think That G.M. A.C. and  
U.A.W are Looking out for there  
own interest and have abandoned  
the Retired employee's and there  
benefits.
